## Nursery Admissions Policy

Catton Grove Primary School includes a nursery setting for 2, 3 and 4 year olds. The nurseries run morning sessions (8.30am-11.30am) and afternoon sessions (12.30pm-3.30pm) for 3 hours per session. 30 hour sessions are available for eligible families (8.30am to 3.30pm). Parents have the option to purchase additional sessions. Sessions are available Mondays to Fridays in term time only.

Some **2 year olds** are entitled to 15 hours of funded early education and childcare per week, for 38 weeks of the year. Funding is available from the term following a child's second birthday. More information is available online at <https://www.norfolk.gov.uk/article/40456/Funded-early-education-and-childcare-for-2-year-olds>. Parents are required to apply for an eligibility code on this website. In order to claim the 15-hour funding at the Nursery, the parent/carer is required to complete a parent/carer claim form once a term which includes the eligibility code. For parents not eligible for funding there is an option to purchase morning or afternoon 3-hour sessions at the current cost set by Norfolk County Council. Priority is given to those families eligible for funding.

Working families who are eligible are able to claim up to 15 hours funding for two years olds (this begins the term after their birthday). A valid eligibility code must be obtained and provided to the setting before the start of the term. Parents and carers can apply for this code here: <https://www.gov.uk/help-with-childcare-costs>. This code needs to re-confirmed every 3 months to ensure you remain eligible. The nursery offers a maximum of 15 hours per week (term time only) for all eligible 2 year old children.

All **3 and 4 year old** children are entitled to 15 hours a week of funding to access an Early Years provision for 38 weeks a year. Funding is available from the term following a child's third birthday. In order to claim the 15 hour funding at the Nursery, the parent/carer is required to complete a parent/carer claim form once a term. This will be organised by the school.

Working parents of **3 and 4 year olds** may be entitled to 30 hours of funded childcare and early education per week, for 38 weeks of the year if certain criteria are met. You can claim the 30 hours entitlement from the claim period after your child's third birthday, provided a 30-hour code is obtained from HM Revenue and Customs (HMRC). Claim periods start on 1 January, 1 April and 1 September. You will continue to receive 30 hours funded early education and childcare, if your code remains valid. More information is available online at [www.childcarechoices.gov.uk](http://www.childcarechoices.gov.uk).

Parents who are not eligible for 30 hour funding may purchase 3 hour sessions in addition to their 15 hour entitlement at the current rate set by Norfolk County Council. Priority is given to those eligible for funding.

Government funding is intended to cover the cost to deliver 15 or 30 hours a week of free, high quality, flexible childcare only. It is not intended to cover the cost of consumables, additional hours or additional services.

Early Education is offered within the national parameters –

- no session to be longer than 10 hours
- no minimum session length (subject to the requirements of registration on the Ofsted Early Years Register)
- not before 6.00am or after 8.00pm
- a maximum of two sites in a single day

## **Payment**

The current hourly / session rates can be found in Appendix 1.

There are no charges for meals or snacks. Families must provide a packed lunch for their child attending during lunch.

We request a voluntary contribution of £2 per half term towards the cost of food tasting and cooking. If your child is staying for an extended session (8.30am to 3.30pm), parents/carers need to provide their child with a packed lunch and there will be a charge of £2 per day to cover the cost of lunchtime supervision. This is to be paid at least one week in advance by direct payment, via your childcare account or at the main school office. Alternatively, you may take your child home for lunch.

All families will be issued with an invoice termly unless the balance equals zero. The invoice will be itemised to provide clear and transparent information concerning the charges as agreed in the parent contract. It will allow parents/carers to see that the entitlement is received completely free of charge and understand additional fees that have been applied.

The entitlement is offered free. We do not charge top up fees to cover the difference between our fee and the funding we receive from the local authority for the funded places.

A deposit of £0.00 will be charged to secure a place at this setting.

The entitlement place is offered free. Parents will not be charged a “top-up” fee to recoup the difference between the amount received from the Local Authority and the current hourly rate.

A registration fee of £0.00 is charged once a childcare place has been offered.

## **Notice Period**

The Admissions policy is issued to all families as part of the registration process. It is also available on the school website –[www.cattongrove.norfolk.sch.uk/](http://www.cattongrove.norfolk.sch.uk/)

Our setting has made a Flourish Pledge, which means we are working together with the local authority to make Flourish the shared ambition of everyone working to improve the lives of children and young people in Norfolk.

### **Pupil Premium**

We aim to identify all children that may attract any additional funding such as EYPP, DAF, SEND Inclusion Fund and any locally available funding streams with a view to submit a claim/application to support and improve their outcomes. This will be in partnership with families and consent will be sought prior to submitting a claim/application.

**Setting Closures** Catton Grove Primary School runs during term time only (38 weeks a year). It is therefore closed at weekends, during school holidays, bank holidays and teacher training days. The Nursery may be required to close during term time but only in exceptional circumstances beyond our control such as extreme weather, unavoidable staff sickness, damage to premises, industrial action, etc. We will give as much notice of these situations as possible.

### **SEND/ Inclusion Policy**

We are required to have arrangements in place to support children with special educational needs and/or disabilities (SEND). These arrangements should include a clear approach to identifying and responding to SEND.

This means we will -

- follow the requirements of the Early Years Foundation Stage Statutory Framework to provide an inclusive environment for all children and their families, together with the requirements to comply with the Equalities Act and the Special Educational Needs and Disability Code of Practice
- monitor and review children's progress and development in partnership with families. Where a child appears to be behind expected levels of development or where a child's progress gives cause for concern a graduated approach will be adopted with 4 stages of action: Assess, Plan, Do & Review
- provide information to families on how their child's development is being supported and in agreement, consent will be sought to apply for additional funding and request support from outside agencies where necessary utilise the SEN inclusion fund and Disability Access Fund to deliver effective support
- publish our contribution to the 'SEN Local Offer' in Norfolk. This is available on the Norfolk Community Directory to ensure information is available to parents so they can make choices about the right childcare provision for their child with SEN

Please refer to the SEND/ Inclusion Policy concerning the SEND support on offer to children and how we support families to choose the right setting for their child with SEND. Policies are available on the school website: [www.cattongrove.norfolk.sch.uk](http://www.cattongrove.norfolk.sch.uk)

**Complaints Procedure** We aim for all nursery users to be happy with the service we provide. However, where parents and carers are not satisfied that their child is receiving the free entitlement in the correct way (as set out in the funding agreement and Early Education and Childcare Statutory guidance for Local Authorities), a complaint can be submitted in line with the Complaints Procedure (found within the Complaints Policy) which can be accessed on the school website: [www.cattongrove.norfolk.sch.uk](http://www.cattongrove.norfolk.sch.uk). If you would like a paper copy of the Complaints Procedure/Policy, please contact the school office on (01603) 426728.

Our Complaints Policy is issued to all families as part of the registration process and is available on the school website [www.cattongrove.norfolk.sch.uk](http://www.cattongrove.norfolk.sch.uk) or from the school office.
