Pupils suffering from asthma will need a named inhaler in school, you will be asked to fill in an asthma card. Children should be kept at home for 48 hours following sickness or diarrhoea.

Please ensure that the school has your up to date telephone numbers in case of emergency.

Attendance

It is important that your child attends school regularly and on time. Please telephone the school on the first morning of any absence (01603) 426728, select option 1 to leave a message on the absence line or option 5 to speak to the school office. Try to make medical appointments after school or in the holidays and do not keep your child away for the whole day.

Holidays in term time

Please complete a leave of absence form. Government legislation means that schools are no longer permitted to authorise holidays in term time. Holidays will therefore be recorded on the school register as an unauthorised absence unless written evidence of exceptional circumstances is provided. Unauthorised absences could lead to a fixed penalty notice of £60 per parent per child.

Educational Visits

We try to offer a variety of different trips, excursions and activities to enhance the children's studies. These take place at various times of the school year. We have a policy whereby we ask parents to pay a contribution for each trip. This covers the costs of travel and entrance fees for day trips.

We also offer occasional residential trips for children in years 3, 4, 5 and 6 and a sleepover for year 2.

Bicycles

Bicycle sheds are provided at the front and back of the school. Please ensure your child has the appropriate safety wear and provide a cycle lock. Cycles and scooters are left at your own risk.
